NOTE: In-person hybrid worship resumes on Sunday, March 27th.

We are attempting a move to Zoom for those who can’t attend worship in person, but may not have this model up and running for March 27.

Final details in next week’s E-Announcements.

Thanks for your patience. We know you prefer Zoom over YouTube live-streaming.

### Lenten Study Wednesdays, March 23 – April 13 “In Defense of Kindness”

March 23rd: Chapters 7-11

Heading into our 4th week of the study, we have about 21 participants each week, and 30 signed up. Come for one evening or the remaining four weeks. You are welcome!

The Zoom link will be sent to registered persons on Tuesday.

### Notes from the Leadership Team Meeting, March 17

1. We approved a Pastoral Charge Development/Redevelopment Grant Application prepared by John McNairnay. To seek partial funding to update the Security and Door Lock System at 525 Beresford. Thanks John, and those who gave input for the creation of this grant. We hope to receive word on the Grant Application by mid-April.
2. Return to Worship/Hybrid Programs  
Sunday, March 27 will mark a return to in-person worship, after-worship coffee/snacks and visiting in the Lounge. We can’t wait! Vaccination requirements will remain in place for the foreseeable future. Masks are required during worship, and unless we are eating and drinking.
3. Rental Groups and other Building Users will be asked to wear masks as they enter the building and move to and from their Rental Spaces.
4. We hope to resume a much-loved Good Friday tradition this year: morning worship followed by lunch together in a restaurant. Stay tuned for details.

5. We will celebrate In-person Communion on Easter Sunday. Adapted protocols will be in place.
6. Korean United and CPUC are planning a Joint Worship Service for early May. We also plan to resume informal bi-monthly meetings between KUC and CPUC leaders, and quarterly meetings between treasurers of the two congregations.
7. We happily note that the Chaebans were recently featured in the news, thanking Winnipeggers for help when they sought to bring family members to Canada. Special thanks were offered to Rev. Janet Walker.
8. Commercial Kitchen Use (and the accompanying Rental Income) was down (by approximately half) during January and February. This is a typical post-Christmas phenomenon. We happily note that requests for group rentals are returning with the loosening of COVID restrictions. We will continue to update you on these matters.
