DISCUSSION:

- Timing and Purpose of the meeting: 1) we are coming out of COVID, 2) the Korean Church is in a time of flux, 3) members of the LT have been in positions for a long time and finding replacements is difficult; 4) it's been several years since we set a plan for the future.
- Kirsten asked about our mission statement, if the congregation was apprised of this meeting, and if there would be agreement amongst the congregation in terms of a future plan.
- Kirsten asked members: What is key question we want answered?
- Suggestion to survey members of the congregation regarding their thoughts for the future of CPUC. The congregation needs to be engaged in this conversation.

Kirsten was thanked for attending the meeting. She will send a proposal and the LT will discuss further at our next meeting.

ADJOURNMENT: The meeting adjourned at 8:10 p.m.
