**Solar Panel Report for 2022**

Below are the amounts CPUC has received as credits on our bi-monthly billings. They total up to \$1,124.47 for 2022. The 62 panels produced a total of 21,827 KWH of electricity which accounted for 79% of all the electricity used by CPUC in 2022.

February	\$67.13
April	\$279.72
June	\$290.91
August	\$341.26
October	\$128.67
December	\$16.78

Huge thanks to Wayne Arkie for his faithful ministrations of the Solar Panels.  
 Wayne (and other men in the congregation) regularly sweep the panels free of snow so the sun can shine on them!  
 We are very grateful, Wayne.

**New Blood: A Play about Reconciliation**
