How do you put together the Story of Evolution and the Story of your Faith Tradition?

Teilhard de Chardin (sounds like **Tay-ard**) was a Christian scientist who wrestled with this question during his lifetime. Today, his work stands out as a masterpiece of integrity, love, intelligence and connectedness.

John Haught will present "Teilhard and Einstein" on Wednesday, Nov 9. On Nov. 16, he will present: "Teilhard and the Meaning of Faith".

Time for listening, learning and conversation. All are welcome.

John Haught's lecture will be projected, live, on a large screen in the Church Lounge.
