Financial Statement for June

- Revenue is tracking to budget expectations. Donations are up overall from last year by \$1K, rentals are down \$3K. We welcomed a new renter (for the gym) in July.
- Operating costs are in line with budget expectations. As KUC closed in June, we now cease cost-sharing of contract cleaning and building operating expenses.
- Cash flow was good in June resulting in a positive cash flow for the month. The balance owing by KUC to CPUC has been collected.

Thank YOU for supporting the ministries of Churchill Park with your financial gifts. With your regular support, we have started July in a good way. A big thanks to our treasurer, Blake, for competence and care in the many large and small tasks included in his job.

We are grateful.

PRAIRIE TO PINE
REGIONAL COUNCIL

From the Co-chairs of the Prairie to Pine Regional Council on July 13, 2023:

A Response to the MB government's refusal to search for murdered Indigenous Women
(the full letter can be found on the Prairie to Pine website)

The chairpersons of Prairie to Pine Regional Council of the United Church of Canada express their dismay with the [decision to not search the Prairie Green landfill](#) for the bodies of murder victims Morgan Harris and Mercedes Myran. They, Rebecca Contois, and Mashkode Bizhiki'ikwe (Buffalo Woman) are likely victims of a white mass murderer and none of their bodies have been recovered.

As noted in the Prairie to Pine Regional Council [December 2022 call for a search](#), failing to search for the women sends a strong message that they are not valued as Indigenous people or as women. Allowing the landfills to remain in use throughout most of this time is a disrespectful decision that makes the path forward harder. Consulting and then dismissing community, family and organizations causes harm and undermines real reconciliation.

...

Calls to Action for members of Prairie to Pine Regional Council:

- Use our [suggested action of December 2022](#) to raise concerns with Winnipeg officials and your MLA. ([Your MLA's contact information is here](#). [Winnipeg councillors can be contacted here](#).) A short email or phone call with a direct request is best.
- Discuss how to educate and engage your community of faith.
- Respond to conversations or social media posts in which Indigenous people are blamed for the violence committed against them, and the [peaceful blockade at Camp Morgan targeted or blamed](#).
