There will be opportunities to cut and sew in work bees, and
at home, as you choose. More information coming soon.
Please keep sending your great ideas to Dawn.

Opportunities at CPUC:

- 1) Digital Ministry:** Are you interested in digital media and ministry? Be part of the conversation at CPUC. Do we need/want a regular Facebook presence? What should we do with digital worship going forward? What is the larger Faith Community saying about the future of Digital Worship? Contact Dawn if you are interested.
- 2) Leadership Team Vice-Chair/Chair-Incumbent:** If you are a good listener, enjoy being part of decision-making and want to contribute meaningfully to your faith community, consider putting your name forward for Leadership Team. We currently seek a Chair-Incumbent to join our lively, good-natured and wise Leadership Team. Interested individuals, contact Shanon at: shanonstewart(at)hotmail.com.
- 3) Ministry and Personnel Committee:** Seeks two additional members. M&P members offer a listening ear and the voice of wisdom to paid staff and members of the congregation. They negotiate contracts with staff, do annual reviews, have a voice on the Leadership Team and play a key role in the well-being of any congregation. If you are excellent with confidentiality, keep an ear to the ground and are a strong cheerleader for our congregation, this could be the role for you. Contact Shanon if you are interested.

We at Affirm United/ S'affirmer Ensemble aim to educate, support and act in solidarity with people of all sexual orientations, genders and sexes, as they/we seek to find community within The United Church of Canada.
