Mission and Service Volunteers

What do you feel called to do? There’s a place for you!

Mission and Service volunteers are people who are ready to spread the word about the great work that’s being done by the United Church of Canada through Mission and Service. They can choose the work they want to do and the amount of time they are able to spend.

It’s easy to take the next step to become a Mission and Service volunteer.

Wider Church News and Events

KAIROS Canada. The call for Jubilee is rooted in faith traditions that emphasize justice for all. It's a vision of debt cancellation, care for the earth, and an end to inequality. Twenty-five years ago, Jubilee 2000 inspired a global movement that led to the cancellation of \$100 billion in debt for 35 low-income countries.

Today, we launch Jubilee 2025 in Canada.

This is one of four Climate Pillars in the United Church of Canada.

Governments at all levels need to hear from the public that we are concerned about the lack of action on lowering carbon emissions. Here is one way to let them know you care. The Manitoba Energy Justice Coalition is one of many groups that is urging the government to:

1. Invest in Wind, Solar and Geothermal energy
2. Ban natural gas in new buildings
3. Invest in energy efficiency to reduce bills (an emission)
