Building Transition News

The Building Transition Committee is delighted to welcome **Kristina Hunter**, Riverview resident and community activist, into the temporary position of Project Coordinator. Working closely with the BT Committee, Kristina will organize and manage the various pieces of the transition work and help keep the project moving forward.

The Building Transition Committee is pleased to announce that the Riverview-Ashland Child Care Centre has been chosen as the “parent” organization of the childcare centre being imagined for the 525 Beresford space after our transition. More information to follow.
