More Opportunities at CPUC:

- 1) Digital Ministry:** Are you interested in digital media and ministry? Be part of the conversation at CPUC. Do we need/want a regular Facebook presence? What should we do with digital worship going forward? What is the larger Faith Community saying about the future of Digital Worship? Contact Dawn if you are interested.
- 2) Mitt-Making:** Do you sew on a sewing machine or like to cut patterns? Would you enjoy being part of a short-term mitt-making effort? The idea has been raised that we make 100 pairs of sturdy, washable adult mitts for 1justministry clients. Contact Dawn for a Start-Up meeting for this project.
- 3) Leadership Team Vice-Chair/Chair-Incumbent:** If you are a good listener, enjoy being part of decision-making and want to contribute meaningfully to your faith community, consider putting your name forward for Leadership Team. We currently seek a Chair-Incumbent to join our lively, good-natured and wise Leadership Team. Interested individuals, contact Shanon at: shanonstewart(at)hotmail.com.
- 4) Ministry and Personnel Committee:** Seeks two additional members. M&P members offer a listening ear and the voice of wisdom to paid staff and members of the congregation. They negotiate contracts with staff, do annual reviews, have a voice on the Leadership Team and play a key role in the well-being of any congregation. If you are excellent with confidentiality, keep an ear to the ground and are a strong cheerleader for our congregation, this could be the role for you. Contact Shanon if you are interested.

There are so many wonderful things to do, learn, attend – all posted in the Prairie to Pine Weekly News. Get it to your mailboxes each week for the latest happenings.
