#### Don't Miss

#### Congregational Meetings

We have two significant meetings coming up. At the first, on Sunday, March 2, the Building Transition Committee will update the congregation on various aspects of the transition and outline possible next steps. At the AGM on March 16, we will vote on any motions that arise from the March 2 meeting.

#### Building Transition News

The Building Transition Committee is delighted to welcome **Kristina Hunter**, Riverview resident and community activist, into the position of Project Coordinator. Working closely with the BT Committee, Kristina will organize and manage the various pieces of the transition work and help keep the project moving forward.

And... we are pleased to announce that the Riverview-Ashland Child Care Centre has been chosen as the “parent” organization of the childcare centre being imagined for the 525 Beresford space after our transition.
