Ministry of Space – Ministry of Hospitality

Occasional renters often write to the office to express appreciation for their time at CPUC. Here are two recent notes of gratitude from the past ten days.

Dear C___ and J___,
Thank you so much for your hospitality and warm welcome.
Children and guests were very pleased with the concert in your church.
Your church created a solemn and creative atmosphere for them. Thank
you again. - A___

Hi,
I wanted to follow up about our wonderful experience at your church for our recitals in June. Here are a couple things that really made myself happy to see and I know made our families feel welcome. The rainbow bench outside is great and makes a strong statement. Then your sign that said “Books Save Lives. Let Them Read.” As I'm sure you know, lots of people have impressions around churches being narrow-minded and un- accepting - especially now. I'm aware of our families' diverse backgrounds and how some of them have been shunned by their local churches, which always makes me a bit apprehensive to host an event in a church. However, not your church!

Thank you so much!
- M _____
