

CHURCHILL PARK UNITED CHURCH ANNOUNCEMENTS March 28, 2024

Friends,

John's Gospel tells us it was still dark when Mary Magdalene arrived at the tomb and found it empty. I love that detail—that Easter began in the shadows, well before sunrise. This is the way resurrection works: it gathers itself in the darkness, beginning in such unintentional hiddenness that when it happens, it can be difficult for us to recognize it at first. Well... on we go, as this mysterious weekend unfolds for us. May it be a blessing to you.
