DREAMING BIG - CHURCHILL PARK UC SEPTEMBER 2025

Structural

- Un-silo the denomination so they can work together.
- Consolidating small congregations to re-ignite passions.
- For a larger fellowship worshipping together and able to serve those outside of CPUC in a greater capacity than currently.
- I would suggest 2-3 United Churches in Winnipeg. We cannot all survive independently.
- Connection with Winnipeg UC churches.
- Refresh our space.

Programming/Community Outreach

- Would like to see some sort of mid-week gatherings/activities open to the community (families in CPUC).
- Oak Table Guest's choir - concert fundraiser for Christmas.
- Children/youth/ community.
- A place to meet God.
- Breaking bread.
- To have an idea about getting more young people to "want" to attend our church and spread the word.
- More outreach.

World View

- Thinking of abundance instead of scarcity.
- That we are a welcoming community.
- To be welcoming to ALL no matter what your status in life to live out "Love thy neighbour."
- A place to receive teachings from a minister.
- Professional spiritual leadership.
- A place to be galvanized.
- A gentle place to be held.
- Boil down the essence of the community.

Mission - Education/Outreach

- Addressing hate, homelessness, poverty, war.
- Vibrant mission to the community because we know our community.
- A modern-day picnic for the city based on the loaves and fishes.
- Perhaps we could have a monthly prayer partner.
- To save neighbourhood elms as part of our mission--involve the neighbourhood by inviting donations for the trees.
- Local churches come together to address food and climate insecurity.
- Promote community resiliency in the face of climate and ecological catastrophes.
- Provide safe space for needed community service or program.
- Support for community.
